## Approaching Epic Hospital

Located on the most important road of Ahmedabad, the Sarkhej Gandhinagar Road [S G Road], Epic Hospital is very easy to approach from the state and national highways. Towards the north, the S G road goes to Gandhinagar and north Gujarat and Rajasthan. Cities like Mehsana and Palanpur in Gujarat and Udaipur and Dungarpur in Rajasthan are just a few hours away. Towards the south it gives easy access to west Gujarat cities like Rajkot and Jamnagar through Sarkhej. On both sides the S G Road intersects the Sardar Patel Ring road and through that road any part of Ahmedabad can be approached in a short time. The airport can be easily approached through the Sardar Patel Ring Road at the north intersection and the expressway to Vadodara can be approached from its southern end.
